## ABOUT US

Attar Steel Structures Pvt. Ltd. (ASSPL) was incorporated on December 15, 2015. Our origins trace back to S.I. Fabrication, where we specialized in conventional steel fabrication, executing projects for heavy steel structures, gas filling stations, and lightweight structures.

In 2016, recognizing the rising demand for Pre-Engineered Buildings (PEB), we transitioned our expertise to meet this growing market. Since then, we have successfully delivered over 400 projects, demonstrating proficiency in Industrial Sheds, Commercial Buildings, Warehouses, High rise buildings, Metro Infrastructure, Railway Infrastructure and Airport Infrastructure.

ASSPL has emerged as a trusted leader in the PEB Industry, renowned for its commitment to quality, engineering precision, and on-time delivery. With a strong presence in India and growing each across international markets, we consistently meet and exceed global quality standards.

## WHO WE ARE?

Attar Steel Structures Pvt. Ltd. is proudly registered with the MSME and the National Small Industries Corporation (NSIC). Our skilled workforce operates with an acute understanding of national and international design standards, ensuring each project is technically sound and economically viable.

With over 400 completed projects to our name, our portfolio ranges from light fabrication works to comprehensive turnkey PEB contracts. Our dedication to quality precision and timely execution has become the cornerstone of a operations-driving us to consistently exceed client expectations.

Today, we proudly export our solutions on global scale, delivering high-standards PEB structure that meet the demands of international markets.

**“WE ARE SETTING  
NEW STANDARDS IN  
MANUFACTURING  
EXCELLENCE”**

#### MESSAGE FROM OUR MANAGING DIRECTOR

It is with great pride that we continue to lead the way in providing high-quality steel structures for industrial and commercial projects. As the Pre-Engineered Building (PEB) sector evolves, our commitment to quality, precision, and client satisfaction remains unwavering.

At ASSPL, we place our clients at the centre of all that we do. Our focus on superior management practices, innovative construction techniques, and impeccable workmanship drives our growth and success.

As we look to the future, we remain dedicated to advancing our capabilities, embracing technological progress, and consistently delivering excellence.

**I.B. Attar**  
Chairman & Managing Director

#### MISSION

To consistently deliver tailored, high-quality steel structure solutions that align with our clients' unique needs, ensuring excellence in every aspect of design, fabrication, and execution.

#### VISION

To lead the PEB industry through a combination of expertise, standardization, and continuous innovation.

#### VALUES

- Customer-centric approach in every project.
- Uncompromising commitment to quality and service.
- Precision and brilliance in every stage of manufacturing and execution.

MEET THE TEAM

# Our Product & Services

- **Pre-Engineered Buildings**
- **Conventional Structures**
- **Heavy Fabrications**

- **Commercial Buildings**

Automobile Showrooms  
Educational Institutes, Sports Club  
Auditoriums, Stadiums  
Healthcare Centres  
Shopping Malls

- **Industrial Applications**

Machine Shops  
Processing Units  
Textile Units  
Foundry Shops  
Manufacturing Unit

- **Warehouses**

E-Commerce  
Sugar Godowns  
Logistic Godowns  
Coal/Bagasse Handling  
Garbage dumping yards

- **Public Infrastructure**

Toll Plazas  
Fueling Stations  
Parking Infrastructure

- **Railway Infrastructures**

Platforms  
Foot over Bridges  
ROB Girders  
Terminals, GLR Tanks  
Wagon Tower Sheds  
Loco Sheds

- **AeroSpace Infrastructure**

Airport Hangers  
Aprons  
Airport Operation Centre  
Air traffic control Towers

# OUR LANDMARK PROJECTS

**VRL Godown**  
1,60,000 sqft (Hubli)

**Manohar International Airport**  
(Goa)

**Vishwachetana Patanjali**  
40,000 (Hubli)

**Inamdar Sugars**  
80,000 sqft (Bailhongal)

**Raksham Medical Devices**  
60,000 sqft (Hubli)

**Nexa Showroom**  
10,000 sqft (Satara)

**JV Motors**  
10,000 sqft (Mudhol)

**Koliwad Estates**  
40,000 sqft (Hubli)

**All India Sports Club**  
40,000 sqft (Belagavi)

**Arch Shed Hotel**  
10,000 sqft (Yadwad)

**AISPL**  
30,000 sqft (Belagavi)

**Sthira Technovation Pvt Ltd**  
40,000 sqft (Dharwad)

**Cold Storage**  
35,000 sqft (Sirsi)

**Sai Shakti Polysacks**  
30,000 sqft (Mudhol)

**Shine Motors**  
30,000 sqft (Gangawati)

**RAILWAY PROJECTS**

4000Metric Ton of work completed in a span of 1 year

FOOT OVER BRIDGE (DOG LEGGED RAMP)  
SHEDBAL RAILWAY STATION

12 MT WIDE GIRDER TYPE FOB

PLATFORM SHELTER (UMBRELLA STRUCTURE)  
GADAG RAILWAY STATION

GIRDER TYPE FOB WITH RAMP

UMBRELLA PLATFORM SHELTER

FOOT OVER BRIDGE (MULTI SPAN)  
SAMBRA RAILWAY STATION

PLATFORM SHELTER [(MONO SLOPE STRUCTURE)  
MUNIRABAD RAILWAY STATION

BOX TYPE FOB- SINGLE SPAN

## ADVANTAGES

SINGLE SOURCE RESPONSIBILITIES

FASTER INSTALLATIONS

FACTORY CONTROLLED QUALITY

PRACTICALLY MAINTENANCE FREE

UP TO 90M CLEAR SPANS

ENERGY EFFICIENT ROOF & WALL SYSTEMS

ECONOMICAL

EARTHQUAKE RESISTANCE

Global Presence

INDIA | MIDDLE EAST | EAST AFRICA

## OUR IN-HOUSE CAPABILITIES

### Machinery

H Beam Assembly Machine

CNC Cutting Machine

Hypertherm

Power Presses

10, 20, 30, 50 Ton

EOT Cranes

30Ton, 20Ton, 10Ton

Co2 MIG/MAG Welding

ARC Welding, SAW Welding

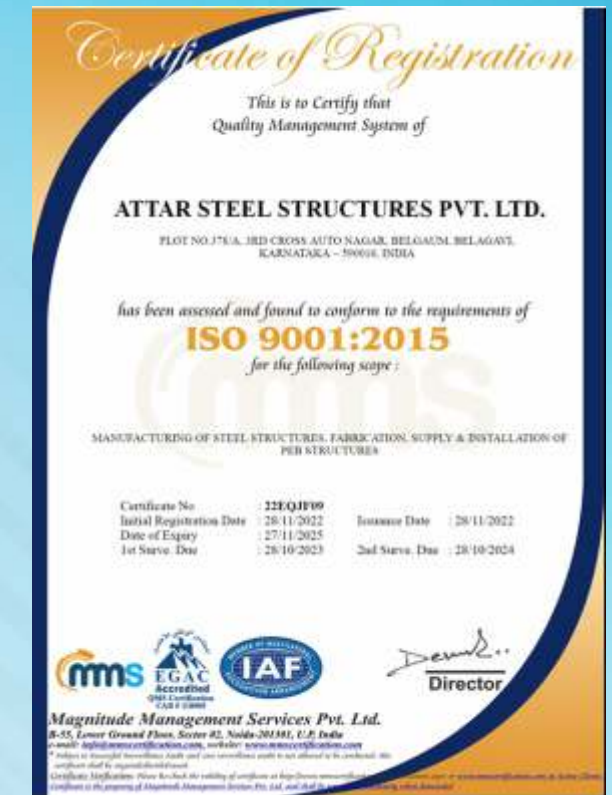

Shot Blasting Machines

1500x2100x29000mm

Shearing and Drilling Machines

- 3 Hydras • 1 Farrana
- 2 Submerged Arch Welding Machines

### CERTIFICATE

**YOUR  
PRE ENGINEERED  
BUILDING PARTNER  
IN PROGRESS!**

Because progress starts  
with strong foundations.

**BUILDING FUTURE,  
TODAY!**

Think big. Build bigger.  
Attar Steels has got your back!

**We are here India, Middle East, East Africa**
